

The Right to Vote

All students are encouraged to participate in local, state, and national elections. In order to vote in the [State of Texas \(http://www.sos.state.tx.us/elections/voter/regvr.shtml\)](http://www.sos.state.tx.us/elections/voter/regvr.shtml), students must register at least 30 days prior to an election.

If you are not currently a registered voter, you may fill out a [voter registration application online](#), print it and mail it to the voter registrar in your county of residence. You are not registered until you have filled out the online application, printed it and mailed it to your local County Voter Registrar.

 - been pardoned or otherwise released from the resulting disability to vote; and
